ABOUT

Motivated and dedicated developer seeking a position to apply and expand upon knowledge in the field of computer science and software development. Eager to contribute to innovative projects, dynamic teams and gain practical experience in a professional environment.

EXPERIENCE

Apple Developer Academy   Tangerang, Indonesia | March 2024 - Dec 2024
Junior iOS Developer
- Contributed to the design and development of iOS applications from concept to deployment.
- Implemented MVVM and intuitive user interfaces using both UIKit and SwiftUI.
- Developed and integrated new features based on user requirements and project specifications.
- Identified and resolved bugs and performance issues to ensure a smooth user experience.
- Participated in code reviews to ensure code quality, maintainability, and adherence to best practices.
- Worked closely with designers, product managers, and other developers to create cohesive and user-friendly applications.
- Familiarity with app deployment processes, including App Store submission and TestFlight.
- Proficiency in Git for version control and collaborative development.

PT Talenta Sinergi Group   Yogyakarta, Indonesia | Aug 2023 - Dec 2023
Fullstack Developer
- Developed and maintained both front-end and back-end components of web applications.
- Worked closely with designers, project managers, and other developers to deliver high-quality web solutions.
- Implemented user interfaces using HTML, CSS, and Tailwind CSS, ensuring a responsive and user-friendly design.
- Created and managed databases using MySQL, including schema design and data migration.
- Building in Laravel for backend development, including routing, controllers, and Eloquent ORM.
- Utilized Git for version control, including branching, merging, and managing code repositories.
